

# jesco® OVER CAR STORAGE LOCKER

Easily accessible, secured storage out of the way of the parked car. The unused areas at the head of the parking area can be turned into valuable storage lockers for the owner or tenant. The Over Car Storage Locker can be attached to either the garage wall or ceiling. The 2" x 1" mesh bottom panel with the angle supports will easily support 400 lbs evenly distributed over the entire bottom of unit. Each Over Car Storage Locker comes with padlockable slide doors. Padlocks not included. Painted dark gray.

- 2" x 1" rectangular mesh
- 10 gauge woven wire welded into an angle frame
- 1 1/4" x 1 1/4" x 1/8" angle frame and support braces
- 2" x 1" rectangular mesh side panels
- Interconnecting hardware included

Options: Ceiling panel, Backs, Galvanizing, Powder Coating.

Optional colors: Light Gray, OSHA Blue, Black and Vista Green.
