

**LARGEST STOCK IN THE USA!**

## 1 1/2" DIAMOND MESH

Wire mesh partitions are pre-engineered for easy installation allowing unrestricted visibility and total air circulation. Low initial cost and maintenance. Partitions are provided complete with galvanized top cap. Anchors optional. Ceiling (non load bearing) adds to overall height. **Standard color is dark gray.**

### Technical Data

Mesh: 1 1/2" diamond woven wire mesh, 10 gauge  
 Frame: 1 1/4" x 5/8" channel  
 Corner angle: 1 1/4" x 1 1/4" x 1/8"  
 Channel line post: 4" formed

Cap channel: Galvanized  
 Hardware: Zinc plated  
 Sweep space: 2 1/2"

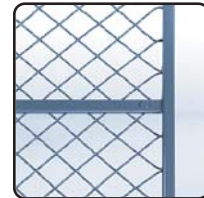

**ADJUSTABLE CORNER ANGLE**

H'	Part No.	Wt.
7	301281	11
8	301282	13
10	301284	16

### THREE-WAY CLIPS

Required when 3 panels meet.

Part No.	Wt.
301363	.82

### VERTICAL C-CHANNEL

Frame between panels

### FLOOR SHOE

### WALL CLIPS (3pc.)

Required for each wall connection.

Part No.	Wt.
301361	.40

### HORIZONTAL STIFFENER

Channels are secure

**GALVANIZED TOP CAP CHANNEL**  
 Pre-punched to span more than one panel

### ADJUSTABLE WALL CLIPS (3 pc.)

Allows up to 1" of adjustment.

Part No.	Wt.
301362	.65

### Fill-A-SPACE PANELS

Adjusts from 2" to 12". Used to fill in odd sized spaces.

**CORNER ANGLE**

H'	Part No.	Wt.
7	301271	7
8	301272	8
10	301274	10

### CHANNEL LINE POSTS

Stiffener every 15 ft.
