## TERMS AND CONDITIONS

**SHIPPING WEIGHT:** When estimating freight and weight for collect shipments, this is designed solely to provide you with an estimate of the amount. The actual amount may vary due to a number of factors. When freight is shipped prepaid, the manufacturer will incorporate the price into the basic bid and will be responsible for the charges. Crating is not included. Please call for pricing. 70 lbs or less will go UPS if size allows. 70 lbs. or more will go via truck. Some products are shipped KD.

**Packaging:** Crating is required on all wire orders. There will be a crate charge on all wire orders.

**Damaged Shipments:** We inspect all items prior to shipment. You should also inspect the items before accepting delivery. If damage has occurred, it should be noted on the freight bill and a claim filed with the carrier by the party paying the freight bill. We take special care to insure the safe arrival of your merchandise, our responsibility for damages ceases when the shipment is accepted by the carrier. Refusal of an entire shipment for partial damage will make claim filing and replacement more difficult.

**Products are fully insured:** However, Jesco shall not be liable under any circumstances for consequential or incidental damage including, but not limited to, labor cost or loss of profits arising in connection with the use of, or inability to use products purchased from Jesco.

**Special or large orders:** Orders must be in writing. These orders are not cancelable or returnable.

**Returned goods:** (RGA) must be authorized in advance by the factory. All items must be new and unused. A 20% restocking charge shall apply to all products. Non-Stock, special, large order items or nonconforming goods are not returnable.

**Terms:** Net 30 days to firms with an acceptable D & B rating. Invoices will be faxed on the day of shipment.

**Taxes:** Local, state or federal taxes are not included in your cost.

**Prices:** We reserve the right to make any changes at any time without notice. Steel surcharges may apply to certain products, and will vary depending on current steel market prices. Payment in U.S. funds only.

**Engineering changes:** We reserve the right to make any changes at any time without notice.

**Load Capacity:** Load ratings are based on capacity of casters and on the load being evenly placed on unit at all times. Always observe all safety rules when using products. Use on flat, hard surfaces only.

**Engineering & Design:** These are part of the basic bid. If your order is canceled due to no fault of the manufacturer, and before material is ordered, you will only be charged for engineering and design costs incurred.
